

DANCING STORY STUDIO AND CLASS ETIQUETTE

30 March 2021

Welcome to Dancing Story classes for early learners! Our primary objective is for your child to have fun while expanding their emotional and imaginative range through the medium of storytelling.

To ensure you and your child get the most from our classes in a safe environment, we ask that you be mindful of our studio and class etiquette:

Before class:

- Please arrive on time to sign yourselves in as there is absolutely no late admittance after the first 5 minutes of class. Due to current COVIDSafe requirements, we cannot allow late admission to class after the class has started.
- Come ready for class as we have very limited changeroom facilities
- These classes run for 30-45 minutes, so it is important that your little one has gone to the bathroom beforehand. If during class you can see your child needs to use the bathroom, please feel free to take them to the bathrooms and bring them back. Parents/Guardians are asked to please take responsibility to avoid 'spills' inside the studio.
- Ensure all phones and devices are set to silent.
- Only dance footwear or bare feet can be allowed on the studio floor. Strictly no socks or tights are allowed as this polishes the dance floor and makes it slippery and unsafe for our company dancers to use. Parents/Guardians are also asked to please follow these instructions and to take off unsuitable footwear before participating in class.
- No food and drink allowed in the sign-in foyer.

During class:

- It's important (and polite) to listen carefully to the teacher's instructions.
- As this is a dance environment there will not be allocated seating inside the studios – mats are available to sit on when parents/guardians are not actively participating in the class.
- We strictly can only permit one parent/guardian accompanying each child as well as too many adults in the studios creates a disruptive experience for the children. If for personal reasons you require another parent/guardian to participate in the classes, you will need to contact Customer Experience or the Dancing Story coordinator to authorise an extra family member.
If the class is full, we also cannot guarantee that we can fit more than one

accompanying parent/guardian in the studio per child due to health and safety pertaining to reaching a maximum capacity inside the studio. Please bear in mind that we also cannot exceed the studio capacity in accordance with COVIDSafe regulations.

- Plastic water bottles containing water are okay for hydration within the studios. We cannot allow food or any liquids other than water inside the studios.
- Film and photography are prohibited during class. You may take photographs at the end of the session, however please do not take pictures of other children without express permission from their parent/guardian

After class:

- Please assist us in keeping our studios tidy and ready for the next class by taking any rubbish with you or dispose of it in provided bins and don't forget your shoes and belongings
- We ask that you please leave promptly at the conclusion of your class to minimise any contact between yourselves and any other classes also occurring in the building
- Have a safe trip home!

By purchasing and participating in events and classes held at The Primrose Potter Australian Ballet Centre presented by The Australian Ballet, you agree to observe any COVID-19 restrictions or recommendations imposed by Government directives and within the venue's COVIDSafe Policies.
